Job Title	Maintenance Technician
Responsible to	Maintenance Manager
Responsible for	N/A
Location	South East London
Hours	Full time, 35 hours per week
Service	Maintenance

1. Organisational Context

Quo Vadis Trust (QVT) is a specialist housing charity in South East London. We provide a service to people who have mental health issues and who need support with their housing. QVT currently provides homes to approximately one hundred and fifty people in South East London. Our range of support both on and off the premises helps each individual client to maximise their independence.

2. Job Purpose

At QVT the wellbeing of our clients is the most important thing, which is why, as Maintenance Technician, you will play a key role in ensuring that everyone who lives in a QVT scheme has a beautiful, safe and well maintained home.

You must be multi-skilled and able to complete minor maintenance, repair and decorating tasks in a timely manner whilst ensuring all work is completed to high standard.

You must be an excellent communicator and be able to take direction from your manager whilst also being an enthusiastic and efficient self-starter.

We want you to share our passion in providing outstanding services and an exceptional maintenance service across all of our schemes for people with mental health issues.

3. Main Responsibilities

- Complete maintenance, repair and decorating jobs across all our schemes
- Communicate any problems and issue to all stakeholders
- Complete all tasks to a high standard
- Source materials at the best value for money
- Travel to recognised QVT suppliers in order to collect relevant materials and equipment
- Liaise with occupiers of designated properties in order to carry out work to the client's satisfaction
- Keep accurate records of all work undertaken
- Be willing to complete any identified training which may be required

- Complete any other tasks which might reasonably be requested by a manager
- This job description is as it is presently constructed. This will be reviewed periodically and at each annual appraisal to ensure that the job description fully reflects the responsibilities of the job. It will be updated and amended in keeping with service changes and developments.
